- Professor Friedmann made this class interesting and enjoyable with all her fun and effective strategies. I really enjoyed this class!
- We could not have been blessed with a better professor. She went above and beyond my expectations for every course. She defines creativity and kept our whole class engaged and wanting more. I wish she taught another course in our program!
- She is the awesomest of awesome professors. She engaged the class very well, and there was never a dull moment in the class. I hope to use what she has taught me in the future.
- Instructor was very enthusiastic and would love to have her again for another course.
- Excellent went above and beyond to ensure students understood the information. Went beyond teaching."
- Dr. Friedmann is extremely knowledgable in what she does and this course wouldn't have been as great and effective if she wasn't the teacher. It is because of this instructor that this course was such a great learning experience. Dr. Friedmann is extremely smart and knows how to effectively teach the content. She cares about her students and always makes time for them. This course would not have been the same without her."
- She is a person that is really passionate about what she does. She is so inspiring.
